

Designed for events with over 20,000 visitors, The Comfort Box offers a carefully curated product selection to meet every need. From selecting the perfect items for your event to managing logistics, we take care of everything. We also offer the option to create targeted advertisements that highlight the location of your vending machine, ensuring your guests know exactly where to find the machines. This solution operates on a profit split model, providing a flexible and mutually beneficial partnership for both parties. Interested in partnering with us? Festival Essentials

Keep your visitors comfortable with solutions for phone charging, rain, hot weather, and more. We offer a range of color choices and printing options to make the Comfort Box fit your brand and event theme.

Personal Care

Provide instant convenience by offering Personal Care items. From gum and deodorant to wipes, we've got everything your guests need to stay refreshed and comfortable.

Holidays

Make your event even more memorable with our range of special occasion items. Whether it's for holidays like Christmas, Valentine's Day, or King's Day. We offer a variety of themed products to suit any celebration.

Alcoholic Beverages

Let your guests enjoy a hassle free experience. By using a vending machine, visitors can skip long bar lines, saving time and reducing the need for extra bar staff. You can offer a variety of options, including canned alcoholic drinks and mini wine bottles.
