

The Six CLSF Conditions™

Six system conditions that support coherent improvement.

1

Clarity

Shared purpose, priorities, and direction understood across the system.

2

Access

Equitable entry to the resources, opportunities, and support students and educators need.

3

Responsiveness

The system's capacity to adjust, adapt, and act on critical matters in real time.

4

Coherence

Alignment of people, programs, policies, and practices toward a unified direction.

5

Experience

The daily lived conditions of students, staff, and families across the system.

6

Impact

Demonstrated evidence of meaningful outcomes for students and the community.
