

**AFFIDAVIT OF MARTIN FLYNN**

STATE OF FLORIDA

COUNTY OF BREVARD

BEFORE ME, the undersigned authority, this day personally appeared MARTIN FLYNN, who first being duly sworn, deposes and says:

1. My name is Martin Flynn. I am a resident of Orlando Florida. I am of sound mind and provide the following statement from my personal knowledge.
2. I was an employee and officer Common Paymaster Corporation, owned by, and human resources company for, Mirabilis Ventures, Inc. I was aware of efforts to reorganize Presidion.
3. In the late summer of 2008, I met with The Assistant United States Attorney Randy Gold and two investigators and answered any questions they had about my knowledge of Mirabilis and Presidion. I had spent the previous 20 months (approximately) winding down the Mirabilis companies and preserving, cataloguing, and storing the email and paper records of the companies.
4. Regarding the unpaid taxes and what was called the Presidion Plan, I told Mr. Gold that knowledge of the unpaid taxes was widespread. I also told

②

Mr. Gold that I spoke with Richard Berman, Esquire, a prominent attorney in Fort Lauderdale and corporate counsel for Mirabilis, and Laurie Holtz, CPA, a prominent accountant in Miami, and director of Accounting for Mirabilis, on at least two occasions, and asked them if the Plan was legitimate. They said something to the effect that all was going as planned and they were handling everything and I didn't need to worry about it.

5. I understood that both Mr. Berman and Mr. Holtz were very experienced and well respected in their professions. Both were, or were in the process of becoming, shareholders, directors, and officers of Mirabilis, and both were close advisors to Mr. Amodeo. Their experience, assurance and confidence satisfied me that everything was being handled legally and appropriately.

**FURTHER AFFIANT SAYETH NAUGHT.**
