

# Freshwater Fishing Club

## Membership Application

**Membership Dues: Initial: \$20 (Annual \$10 and Badge \$10)**

**Renewal: \$10**

The purpose and objective of the Freshwater Fishing Club as a non-profit membership organization are to bring together residents of The Villages who want to go fishing and to provide a venue to go fishing. In addition, the Club will endeavor to:

1. Develop and improve skills in freshwater fishing and related activities.
2. Be a source of information and instruction for the local community.
3. Promote conservation ethics with regard to the "Catch and Release" of game fish.
4. Enhance awareness of the state of natural habitat that surrounds us.
5. Become active and informative to correct abuses.
6. Be socially involved with others who share our common interests in the sport of fishing.
7. To actively support State and Federal regulations that serve to protect or improve our natural resources.

Members will occasionally be called upon to volunteer to assist the Club with its many activities and special events.

I have read the foregoing Codes of Conduct and will abide by its contents. Failure to do so will result in my departure from this club.
