

How homes are found

As a real estate professional who belongs to the multiple listing service, I make it possible for you to see a full and up-to-date picture of what's on the market and get you what you are looking for.

Search the market

We'll use the Multiple Listing Service to guide our search and get you the location, features and price point that meets your needs.

Go deeper and get closer

We will use the Multiple Listing Service to get you detailed information not available on public apps and websites, and arrange showings.

Know how much to offer

We will use the Multiple Listing Service to analyze up-to-the-minute information on comparable homes and recent sale prices in order to make sure our offer is competitive.
