

ICC GET into GOLF

Thursdays at 1:00 PM

Rule #1 – Our Get Into Golf Group plays for fun and camaraderie! Keeping score is optional.

Rule # 2 – There are no rules that can't be amended, changed, altered, or disregarded by consensus of the players present (or frankly by any player).

Rule # 3 – Play will be on Wednesdays at 1:00 PM, unless changed due to rain, heat, or just because.

Rule # 4 – Advance sign-up is encouraged by calling/texting Nina @ 908-507-1618.

Rule # 5 – 9 holes will be played as best you can. You are allowed to pick up your ball if needed, give up on a hole, throw it out of the sand, drop wherever you want after a “water ball” or whatever is needed! There is no judgement from our group!

Rule # 6 – After 9-holes, or our group has had enough, we convene for snacks and drinks for whoever can stay to laugh, commiserate, relax and recharge.

Rule # 7 – Any player who wants to keep their own score will keep it to themselves.

Rule # 8 – All players are encouraged to take a second tee shot if the first one messes up - as long as there isn't a group pushing behind us! How else will we improve?

Rule # 9 – We encourage all to participate in ICC's leagues and tournaments to continue social activities with all the golf players, join one of the other play days or tournaments.

Rule # 10 – We will never ever have more than ten rules.

There are no by-laws or officers for the ICC Get Into Golf Group. Joining the ICC's many leagues and tournaments is encouraged but not required. ICC includes golfers of every level and ability! The Get into Golf Group has no requirements other than the desire to spend time on a golf course with like-minded people who want a no-pressure, fun way to experience the game. Join the fun!

Thank You!
