

"Golf is a game in which you yell fore, shoot six, and write down five." - Paul Harvey

Dear Members and Friends,

Labor Day has come and gone, and the island is settling into that quiet, golden rhythm that only September can bring. The crowds have thinned, the mornings are a little crisper, and there is something almost magical about having this beautiful place a little more to ourselves. The smiles on the course are just as bright- maybe even brighter. If you have been waiting for the perfect time to sneak in a round, this is it.

Special Meeting- Tomorrow, September 15th at 4pm

A friendly reminder that our Special Meeting is tomorrow, Tuesday, September 15th at 4pm. There is a lot of exciting momentum around our upcoming Centennial and we want every member to have a clear picture of the what, when, where, and how- including upcoming golf course renovations and fundraising plans. This is your club and your centennial- we hope to see you there!

Ladies Golf Closing Luncheon- Tomorrow!

Tomorrow also marks a special milestone for our Ladies Golf group- their closing luncheon! What a season it has been. From beautiful Tuesday mornings to spirited competition, member spotlights, food donations, and friendships deepened over nine holes- the ladies have been one of the great joys of the 2026 season. Here's to a well-deserved celebration tomorrow and to an even better season in 2027!

Crazy Golf- Superintendent's Revenge!

Yesterday brought the curtain down on the 2026 tournament season in the most fitting way possible- with laughter, a little rain, and the annual Superintendent's Revenge tournament, otherwise known as Crazy Golf! The tournament was shortened to nine holes in a bid to beat the weather, and it was almost a success- only the last couple of holes got a little wet. A small price to pay for a whole lot of fun!

We had 14 ladies and 14 men signed up, with 24 brave souls ultimately teeing it up despite the threatening skies. And by all accounts, those who played were rewarded handsomely- laughter and giggles could be heard all around the course, which is really the whole point. Here are your winners:

Men's Division

1st - Kenny Wiberg - 36

2nd - Richard Eaton - 40

Ladies Division

1st - Eliza Childs - 44

2nd - Pam Fowler - 45

Congratulations to our winners and thank you to everyone who played and made this season's tournament calendar such a success. And a very special thank you to Keith and his crew, who worked extra hours to make these events happen all season long. We could not do any of it without you!

Fairway Cafe

The Fairway Cafe is open this weekend and we hope you will stop by to show your support. Roxann has been dreaming up something new and delicious every single week, and this weekend is no exception. Come say hello, grab a bite, and give Roxann the sendoff she deserves for an incredible run this summer. Lunch is served Saturdays and Sundays from 11am to 2pm- see you there!

As the season winds down, we find ourselves full of gratitude- for this place, for this community, and for every round played, every dish shared, and every smile exchanged along the way. The island may be quieting down, but the memories from this summer will carry us warmly through the winter. Until next season- take care of yourselves, travel safely, and know that ICC will be here waiting, just as beautiful as ever, when you return.

"Golf asks something of a man. It makes you get down to the pure essence of who you are." - George Archie
