

"Golf is played mainly on a five-and-a-half-inch course, the space between your ears." - Bobby Jones

Dear Members and Friends,

September has certainly made her presence known this past weekend! The wind has been howling, the rain has been falling, and the island is taking on that wild, dramatic beauty that only early autumn can bring. We have had to close the clubhouse on a few occasions due to the weather, and we appreciate your understanding and patience as we navigate the season's finale. On the bright side- there is truly nothing cozier than looking forward to next summer from the warmth of your living room!

Moonlight Madness- See You Next Year!

Unfortunately, Mother Nature had other plans for our Moonlight Madness event this past Saturday. The weather simply did not cooperate, and we made the call to postpone- indefinitely, as in, we will try again next year! It is a wonderful idea and it deserves a wonderful night. Stay tuned for 2027.

Special Meeting- This Wednesday, September 30th at 4pm

Please mark your calendars for a Special Meeting this Wednesday, September 30th at 4pm. A member has volunteered to fill the vacant Vice President position at ICC. Please attend this meeting to vote by joining the meeting in person at the clubhouse or by Zoom- a link will be sent five minutes prior to the meeting.

Fairway Cafe- A Sweet Sendoff

Thank you to everyone who came out this past weekend to support the Fairway Cafe for its final service of the 2026 season. It was a wonderful way to close out what has been a truly memorable run. And to Roxann- thank you. From crab rolls to burgers, from powering through a power outage to bringing in homemade treats just because, you brought so much warmth and talent to this club this summer. We can't wait to see you back behind the grill next year!

Serving Up a Brighter Future- DISHS Tennis Courts

At ICC, we believe deeply in supporting our community- especially the next generation. The Deer Isle Stonington High School is currently fundraising to resurface their tennis courts, and we hope our members will consider lending their support. Please see the attached flyer for more information and ways you can help make this happen for our local student athletes.

A Note on the Newsletter

This will be the final week of the split newsletter format as we wind down for the season. It has been a fun experiment and we hope the Sport Report has made it easier to find your golf, tennis, and pickleball news in one place. We will revisit the format as we head into next season- as always, your feedback is welcome!

The rain will pass, the wind will settle, and before we know it the quiet of the off-season will give way to the excitement of opening day. Until then, stay warm, stay dry, and know that the club- and everyone in it- will be ready and waiting when spring rolls back around.

Take good care of yourselves.

"The game of golf is 90 percent mental and 10 percent mental." - Bob Hope

Best regards,

Island Country Club
