Hole-In-One

Somebody DID get a hole-in-one this week (though we think he wishes he saved that luck a little longer).
Congratulations to Jack Shaw on recording his 11th hole in one on Wednesday, Aug 12th on hole #6.

DISHS Golf

School is starting up again and so is the youth competitive golf season. ICC is honored to be the home course of the Deer Isle Stonington High School team. With that honor comes the responsibility of hosting a few home games every season. The first home match will be on Friday, August 28th. Like for league play, the course will be closed to play from 3pm until completion. Be sure to wish the team players luck as you see them practicing!

Tennis

Reported by Linda Allen

This season, the tennis program has been privileged to offer clinics and lessons by Will Mason, a summer visitor. He is available to teach children's lessons or clinics if there is any interest. Check with the Clubhouse for available times and pricing. Changes to courts 2 & 3 have allowed for the integration of pickleball into the club and a new playing surface. Be sure to check it out!

Remember that Open Tennis is held on Wednesday mornings at 9:00 am along with the clinic which costs \$25 for members and \$40 for non-members. Sunday's Open Tennis runs from 2:00 to 5:00 pm. Come join in for these friendly matches.

Pickleball

Many thanks to Keith and his crew for adding a couple of drains to the new courts!

The courts have seen a lot of play this week. At Open Pickleball on Saturday we had 11 folks - members and guests - play some rousing games. The level of play on the island is impressive!

Last week the Tennis and Pickleball Committees met with the Executive Committee to chat about plans for next season. We'll be working together throughout the fall and winter to solidify a good schedule for 2026 - 2027.

Come out to Open Pickleball on Thursday from 9:00 - 12:00 and Saturdays from 2:00 - 5:00. Beginner sessions can be scheduled with Linda Kimbrell
