

"Golf is a game you can never get too good at. You can improve, but you can never get too good." - Lee Trevino

Dear Members and Friends,

Happy Labor Day! As we pause to celebrate the workers and volunteers who make everything around us possible- including this club- we find ourselves in a reflective and grateful mood. The 2026 season has been one for the books, and while there is a bittersweet feeling in the air as summer winds down, there is also so much to look forward to. Read on for our final notes of the season!

Special Meeting- Tuesday, September 15th at 4pm

We hear you- there are a lot of exciting things happening with our upcoming Centennial and not everyone has a clear picture of the what, when, where, and how. We want to change that! Please join us for a Special Meeting on Tuesday, September 15th at 4pm to discuss future golf course renovations and fundraising. This is your club and your centennial- come be part of the conversation!

Fairway Cafe

The Fairway Cafe will be closed this Saturday- but Roxann has something special up her sleeve for Sunday lunch! Come see us Sunday and find out what she has dreamed up. You will not be disappointed.

Thanksgiving Dinner Recap

What a night it was. The annual ICC Thanksgiving Dinner is unlike anything else on our calendar- and last week's gathering reminded us exactly why. We laughed, we cried, and we sang together in a tradition that is truly unmatched. There was food, there was fellowship, and there was so very much pie.

For many, this dinner is also the moment of farewell- though we prefer to think of it as "until we meet again." It marks the close of the 2026 social calendar, and what a calendar it has been. From Wine Wednesdays to the lobster dinner, Around the World to Volunteer Appreciation Night, this season's social life has been something truly special. Thank you to everyone who showed up, brought a dish, stayed late, and made every event what it was. We cannot wait to do it all again next year!

HIP Food Pantry Donations

WE DID IT!!!!.....811 items! Little by little, day by day, it all came together because you GAVE!

The last delivery of the 2026 season has been made to the HIP food pantry. THANK YOU to everyone that participated and supported this collection effort for the third year.

With gratitude and appreciation ~ Jeannette Parker

On this Labor Day, we are reminded of all the hands- seen and unseen- that keep this place running and keep this community thriving. To our staff, our volunteers, our Executive Committee, and every member who has contributed something of themselves to ICC this season: thank you. It has been an honor and a joy. Until we meet again!

"Golf is a science, the study of a lifetime, in which you can exhaust yourself but never your subject." - David Forgan
