LARHC 2022 Annual Conference Personal Accountability Commitment & Assumption of Risk and Liability Waiver

As a registered attendee for the Louisiana Association of Rural Health Clinics (LARHC) 2022 Annual Conference, you have read and agree to the Personal Accountability Commitment, the Assumption of Risk and Liability Waiver.

Personal Accountability Commitment: Any public space where other people are present holds an inherent risk of exposure to COVID-19 and other communicable diseases. I will take necessary precautions while at the event, including but not limited to, personal hygiene and hand sanitization, adherence to pathway signage, and self-monitoring and self-reporting.

You are asked to contact LARHC if you experience symptoms of COVID-19 within 10 days after participating in a LARHC event. Any private health or personal data that may be received by LARHC in connection with such measures and precautions will be treated as confidentially as possible.

You should not attend a LARHC event if you are experiencing, or within the 10 days prior to the program have experienced, symptoms associated with the flu or COVID-19. You also should not attend if you believe that you may have been exposed to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the healthcare team responsible for your treatment.

Assumption of Risk: By submitting this registration, I acknowledge the contagious nature of COVID-19 and other communicable diseases, and I voluntarily assume the risk that I may be exposed to or infected by COVID-19 or other communicable diseases by attending this LARHC event, including the consequences of such exposure. It is my choice to participate in this event, knowing that attending this event may increase the risk of becoming exposed to and infected by COVID-19 or other communicable diseases. I voluntarily agree to assume the risk of contracting COVID-19 or other communicable diseases, and I accept sole responsibility for any injury or illness to myself or others.

Liability Waiver and Release: In consideration of being permitted to participate in the LARHC event, I hereby waive, release from liability, assume all risks, and covenant not to sue LARHC or its officers, board members, employees, agents, and representatives (the "LARHC Parties") for any expense, loss, damage, personal injury (including loss of life, disability, or serious harm), property damage or theft, negligence, or actions (each, a "Loss") resulting from or arising in connection with my travel to, attendance at, or participation in a LARHC event and any related activities unless said Loss is caused by the sole, gross negligence of LARHC. I further hereby release, agree not to sue, discharge, and hold harmless LARHC, its officers, board members, employees, agents, and representatives, from all Losses relating to COVID-19 or other communicable diseases. I understand and agree that this release includes any and all claims based on the actions, omissions, or negligence of LARHC, its officers, employees, agents, or representatives.

This assumption of risk and waiver applies even if the undersigned asserts that LARHC was at fault for not taking greater precautions to manage exposure or infection from COVID-19 and other communicable diseases. I agree that this waiver and release shall bind me and my personal representatives, shall be enforceable to the fullest and broadest extent of the law, and, if any portion is held invalid, the remainder should continue in full legal force and effect.

si

LARHC considers the health and safety of all those at in-person programs our top priority. During these challenging times, LARHC is committed to providing a safe and healthy environment for all our in-person program participants and staff. Although participants should recognize that there is risk involved in attending, LARHC will be following preventative measures to reduce the potential spread of the COVID-19 virus and other communicable diseases at its in-person event in accordance with guidance provided by CDC, and/or local or state government agencies, and its partnering hotel. LARHC staff will be trained in the knowledge necessary to monitor, enforce, and handle compliance with safety protocols and procedures.
