

PEST & LAWN  801-312-9111

FUNDRAISER

Thank you for using Turbo Pest & Lawn to raise funds for your organization. As far as fundraising goes, this is completely different than anything else you'll come across. Our owner has coached over 35 youth teams and has seen too many people denied opportunity due to lack of funds—this should help! Here is what to expect when approaching potential customers. Pest control pricing is between \$79-\$120 per visit—and usually requires a contract. Turbo doesn't -

<i>Average price</i>	<i>\$85</i>
<i>Turbo Price</i>	<i>\$79</i>
<i>Discount for supporting us</i>	<i>\$5</i>
<u><i>New low price</i></u>	<u><i>\$74</i></u>

Its Simple to Enroll

Call and register your organization with us. You'll pick a name that is either a team, coach or some other unique identifier that you'll give to customers which they MUST use when scheduling their appointment. They only have to give the name one time, and then each service for the next year we will direct \$10 to your organization. Payments are made quarterly - or if special consideration is needed, we can look a case by case situation. No contract required. Average 4 services a year. Call if you have questions. Thank you and good luck!
