Burglar Alarm Emergency Call-out in Mayfair W1.

Intruder / burglar alarms, like most electronic security systems, require regular maintenance to ensure they are properly working. This is especially true for intruder systems to minimise nuisance false alarms. We offer a 24 hour support service for burglar alarms or wireless smart alarms and can respond quickly to rectify problems including nuisance alarms. We hold stock of the most common system failure points for the majority of burglar alarm system manufacturers and wireless smart alarms

We offer emergency support services for burglar alarm and wireless smart alarm repairs which are very competitively priced.

If you require repairs or an emergency callout, please feel free to get in touch Burglar Alarm Maintenance and Servicing in Mayfair W1.

In addition to emergency call-out services, Accenta burglar alarms in Mayfair W1 we offer full annual maintenance to prevent such emergency situations. There is nothing worse than waking up to your intruder alarm sounding at 2AM and not being able to silence it. Our full maintenance program is calculated for your individual alarm system so as to ensure it is as competitively priced as possible. We carry out at least the following service procedures regardless of the size of the system (integrated intruder alarm systems require additional checks):

1. Test all batteries and replace as necessary
2. Check PSU
3. Test operation of all devices including the panel, sounders/strobes, detectors (PIR, microwave, glass break etc), contacts and vibration sensors etc including walk test
4. Measure resistance of devices (normal, alarm and tamper)
5. Clean component internals (particularly detectors)
6. Check operation of tampers
7. Check all terminations
