Important Notice:

The treatments and services provided by Drip Republic are not intended to diagnose, treat, cure, or prevent any disease and have not been evaluated or approved by the U.S. Food and Drug Administration (FDA). The information and content provided by Drip Republic, including but not limited to text, graphics, images, and other material, are for informational purposes only and are not intended to substitute for professional medical advice, diagnosis, or treatment.

Consultation and medical advice:

Always seek the advice of your physician or other qualified healthcare provider with any questions you may have regarding a medical condition.

Do not disregard professional medical advice or delay in seeking it because of something you have read or heard about at Drip Republic.

If you think you may have a medical emergency, call your doctor or 911 immediately.

Individual results may vary.

The effectiveness of IV vitamin infusions and weight-loss treatments varies from person to person. There is no guarantee of specific results, and individual outcomes may differ.

Informed Consent:

By undergoing any treatment at Drip Republic, you acknowledge that you have been informed about the nature of the treatments, the potential benefits and risks, and the alternative treatments available.

You also understand that the treatments have not been evaluated or approved by the FDA.

Limitation of Liability:

Drip Republic and its staff are not liable for any adverse effects or consequences resulting from the use of treatments or reliance on any information provided by the clinic.

By using our services, you agree to release Drip Republic from any claims or liabilities, directly or indirectly, related to the treatments received.

Consult your healthcare provider:

Before starting any new treatment regimen, it is essential to consult with your healthcare provider to determine the best course of action for your individual health needs.

By proceeding with any treatment at Drip Republic, you acknowledge that you have read,
