March 30, 2026

Dear Friends and Community Members,

At Palos Verdes Intermediate School our goal is to provide students with the best possible educational experience. The PVIS Booster Club supports an incredibly diverse collection of academic activities, clubs and lunchtime events, music & drama, and athletics. We work to provide a way for every student to feel connected and have a positive middle school experience.

This year, our fundraising efforts include the Online Auction event starting at 8:00 am on May 4, 2026 and ending at 8:00 pm on May 13, 2026. The success of this event relies on the generous support we receive from our individual donors, local businesses, and community participants. We would be honored if you would consider supporting this important cause by donating to our online auction. We would happily accept gift cards, products, services, event tickets, collectible wines, experiences, and the like.

Funds raised this year will go towards our teacher stipends for our school clubs as well as supporting the 4 As - Academics, Activities, Arts and Athletics.

We are privileged to serve nearly 750 students at PVIS – a school that continues to rank among the highest performing middle schools in the state. All sponsors and donations will be acknowledged and publicized.

PVIS Booster Club is a non-profit 501(c)(3) organization, tax id #95-4331742. All sponsorships and donations are tax deductible. We thank you for your generosity, consideration, and support.

Sincerely,

The PVIS Booster Club Online Auction Committee
