

Boundary County Parks and Rec

Meeting Minutes

03/10/2025

Attending: Rob Tompkins, Annie Swift, Sarah Skinner, Tess Rae

Employees: Kylie and Konae

Guests: None

Previous Minutes: Annie motioned to approve last meeting minutes it was seconded and approved.

MotoX is seeking approval to use our grounds to camp during the motoX. We discussed the fact that it will be during soccer and fields will already be painted. Over 100 dirt bikes will more than likely cause damage and it is too much of a risk during soccer season. Rob motions to deny the request Annie seconds the motion - All in favor, motion carries.

Maintenance Report: none

Concession Stand Report: Koane came to check in and see when she should expect to open the stand for this season. Rob explained to her that we had a pretty big loss with the concession stand and that we haven't decided what the plan is yet for this upcoming season. There was discussion of leasing the stand, price changes etc. Rob will put it on the agenda as an action item for the next meeting or schedule a possible special meeting since baseball starts April 4th.

Sports Director: Not very many kids signed up for baseball yet. Little league offered to take the kids we have signed up if Kylie doesn't get enough to form teams. She will wait until closer to registration deadline to make a decision. Basketball is going great, lots of refs this year. Kylie is making sure that gift cards are being kept track of. Basketballs aren't holding air, probably need to order more for next season. Annie Tompkins is possibly doing the soccer season for Kylie while she is out on maternity leave.

Annie motions to adjourn @ 7:49 pm. The motion is seconded and approved. Motion carries.
