# 2025 Parks & Rec Baseball Program Guidelines/Rules

## GOALS

1. 7/8 teach basic catching, throwing, and batting skills, base running basics
2. 9/10 improve on catching, throwing, batting, PITCHING skills

## EQUIPMENT

1. Shirts and hats given to all players to wear for games. **Wearing a hat under batting helmet is REQUIRED.** Until team hats come in, please make sure your child has a hat. This helps us prevent any head lice issues from arising.
2. All batters, base runners and players on deck **MUST** wear protective headgear **during practices & games**
3. Players supply their own gloves, baseball pants, soft spikes or tennis shoes. If you are in need of gear, contact Kylie as there are many donations/items left behind at the Parks & Rec office.
4. If players want to use their own bat, it **MUST** be approved and remains the responsibility of the player/parents, not Parks & Rec or the coach
5. Parks and Rec will supply necessary equipment to all coaches

## COACHES

1. Set the example of **GOOD SPORTSMANSHIP** for all players and spectators
2. Coaches need to discuss before the **START TIME OF THE GAME:** review ground rules/cover questions
3. Injuries need attended to **IMMEDIATELY – first aid & cold packs in concession stand**
4. Coaches are responsible for forwarding practices, games, events, cancellations to players parents in a timely manner. All notices of changes will be posted to Team Snap app & Facebook Group: Boundary County Parks & Rec.
5. Keep it simple, focus on the players learning rather than winning vs. losing. Provide encouragement and enthusiasm to your team/players! Teach them to be good sports both on and off the field.

## FIELD

1. Base path will be 60' in length and pitching mound will be 40' from the home plate

## TEAM PICTURES

1. Team pictures are on the schedule & will take place during your child's regular practice (some pictures start just slightly before practice; you will possibly have to wait for your field to be available.) Please make sure that they are on time and in their team t-shirt. Pictures will take place over by the gazebo on the other side of the covered pavilion @the park. Coaches have picture day forms; they are also available on our website and in the app under "media". **Payment/order forms go directly to photographers on picture day.** Additional photo orders can be placed through Line Point Printing downtown after picture day. Coaches will pass out pictures when they are finished being printed. Props are welcome in your photo (ie. bat, glove, etc).

## LENGTH OF GAME

1. Games will be 4 innings or 1.5 hours (a started inning needs to be completed in full regardless of the time limit) **do not start another inning if the time limit is almost met. Games are scheduled at their "start time". Warm ups need to occur PRIOR to this start time.**
2. Rainouts will be cancelled by Parks & Rec Sports Director. No games/practices if there is lightening within 6 miles of Bonners Ferry via WeatherBug app. Coaches can cancel practice or games at any time due to major weather storms, etc.

## GAME RULES

1. 3 coaches may be utilized on offense: one to assist batter, two at the bases
2. 2 coaches may be utilized on defense: located behind the infield and the front of the outfield
3. Each player is placed in number sequence for batting line up, if a player cannot bat his/her turn, the batting order continues
4. Outs will count, each inning will have 3 outs
5. Innings will end after 3 outs OR if offensive team runs through batting order (whichever occurs first)
6. A batter will strike out at 3 strikes
7. **PITCHING-** We will be playing coach pitch due to the age combination this year. Manual pitching machines are available for coaches if you would like to use them for practices and/or games. All players will be using a baseball.
8. Games can be paused/stopped for instructional purposes at any time
9. Outfielders must throw the ball to the infield, they are not allowed to tag a base or runner
10. If a batter throws their bat, he/she will be given a warning, after that they will be called out
11. The following is not allowed for either age group on offense: lead offs, stealing bases, sliding, pinch hitting, infield fly rules or protesting
12. Defensive team: field all normal positions, additional players can be placed in the outfield or benched. Offensive team: we will utilize a "Pitcher" position, even though they are not throwing the ball, they still have playing duties/capabilities as a pitcher.
13. Each inning, the players need to be rotated in positions.
14. Runners on base may be forced out or tagged out per regulation baseball rules
15. The following is not allowed for either age group on defense: baseline interference, running on any overthrows, double plays or protesting

## Sportsmanship Pledge

**Boundary County Parks & Rec asks everyone to make this a great time for all. Please be a good sport in the stands and on the field. Respect your opponents; no talking back to players, coaches or officials. By showing good sportsmanship, you honor our kids, the game and our community.**

**Appropriate behavior is expected of coaches, parents, players, spectators, officials and anyone else participating in our youth sports programs.**

**Thank your volunteer coaches & help out where you can. Let's have a great season!**
