### ***Hilsen fra Presidenten***

What an honor to be part of the Sons of Norway Board! The best part has been getting to know the amazing people who work so hard on our behalf. Together they provide quality programs, manage volunteers, keep track of all things financial, organize our library, create and send out the *Posten*, connect us with the international level of Sons of Norway, and so much more! In this Valentine season, I send my personal love and thanks to these lovely, creative, and industrious people (By the way, we would love to have someone join us as our **secretary!**)

—Carol Lucido, President

### **FEBRUARY PROGRAM : Feb. 12, 6:30 pm**

#### **A Nordic Figure Carving Journey**

#### **with James Miller**

James Miller is known for his exceptional skill in the Scandinavian flatplane carving tradition and for his deep dedication to preserving Nordic folk art. As the youngest recipient of the Vesterheim Gold Medal in woodworking, he has shared his craft through teaching, demonstrations, and cultural exchange—including in Norway. Don't miss this opportunity to learn from one of the region's most accomplished carvers and celebrate the artistry of our heritage.

The mission of Sons of Norway is to provide quality insurance and financial products to our members, promote and preserve the heritage and culture of Norway, and celebrate our relationship with other Nordic countries. (Updated mission statement, 2025).

## From our Hospitality Director:

**Tusen Takk** to **Sharon, Eric and Tracy Barsness**, and to **Barb Chase** for the awesome lunch they provided at the Jan. 8 fellowship time following the program. A special thanks goes to **Julie Tiedeman** for her "surprise" contribution of rosettes. The fellowship time is such a special time to visit with other members. We appreciated the coffee and snacks. February 12 will be the next time volunteers are needed to provide treats. Please call **Kathy Rosedahl** at 507-289-8621 ASAP. Three people are needed. Please consider being one of them. Any snacks are appreciated—cookies, bars, fruit, cheese & crackers, sandwiches, etc...

—**Kathy Rosedahl**, Hospitality Director

**SOUP NEEDED!** The **March 21** meeting will feature a soup and pie buffet. If you are willing to donate a crock pot of soup, please volunteer to **Sue Walch**. **507-273-4025**

## Louise Hanson writes article for E-Post

Have you read the latest version of the E-POST from Sons of Norway, which arrived in your email on Jan. 23? (The first story is titled "Hero Grandad.") Of special interest to us Kristiania members is the third article "Introducing the Team Norway Sweater by Dale of Norway," which was written by our own member, **Louise Hanson**, about the 2026 Olympic sweater that the Norwegian Olympians will be wearing. Louise owns the Nordic Shop in the Galleria with her husband, **Walter**. You may remember their January 2025 lodge presentation on Norwegian sweaters.

## Minutes of January 8, 2026 General Meeting

We started the meeting with the three national anthems: Canadian, Norwegian, and US, and the Pledge of Allegiance. David Stansfield, 14-year-old grandson of **Julie Tiedeman**, spoke to the group about some of the things he does in the Boy Scouts and the work he does for our chapter. We appreciate everything he and other Boy Scout members do for us to set up and take down our meeting area.

We honored **Marilynn Schumann**, who turned 100 years old on December 1. We had a moment of silence for three members who recently passed away: **Andrea Philipson** (1943-10/4/25), **Dick Norman** (1935-11/21/25) and **Gloria Rosencrants** (d 10/18/2025).

RETURN SERVICE REQUESTED

### Kristania members make presentation about Norway and immigration.

Two Kristania members, **Sharon Barsness** and **Betty Ann Danielson**, recently were part of the Family Night Culture Event at Elton Hills Elementary School in Rochester. They wore their *bunads*, brought *lefse* and *brunkake*, and talked about immigration from Norway to the US. Sharon displayed the trunk that Lawrence Barsness' grandfather brought from Norway in 1866, and she

showed examples of what would have been in it. She talked about the reasons the immigrants came (no land, poor, no chance to inherit, free land in the US, letters from Norway). The two had examples of Norwegian crafts, talked about the importance of religion and education, and answered questions. They even heard stories of families still making *lefse*.
