

To Our Good Neighbors of Sunrise Park,

We are inviting you to join a special Sunrise Park Modernism Week tour February 16-26, 2023. If you would be interested in offering your home for a one-day tour which will generate interest and recognition for our community, bring us closer together neighbor to neighbor and generate funds for charity, please let us know.

The tour showcases 7 featured Sunrise Park homes chosen for their Midcentury indoor/outdoor architecture, interiors, grounds, histories, or owners that epitomize Palm Springs and what makes life and architecture in the desert unique. Docents are in attendance in each room during this tour to monitor activity and answer questions during the tours. We also need a number of volunteers from the neighborhood to be docents, welcome tour participants and for a number of other roles.

The tour will explore our neighborhood and will feature a variety of architectural styles which include Midcentury-Modern to Desert Contemporary and “New-Century” Modern, or historic. All homes will be carefully chosen to appeal to the modernist and will capture the unique interpretation of architecture and lifestyle our desert oasis affords. It is going to be an easy, fun and wonderful day to meet modernist lovers from all over the world who will adore your home and enthusiastically thank you for opening it to the public.

It is so rewarding to see the renewal and remodeling going on block-by-block here in our neighborhood. With iconic architectural homes by some of the area’s most noted architects, the Palm Springs Cultural Center (formerly known as the Camelot Theater), Mizell Senior Center, Boys and Girls Club, Opera in the Park and the historic and iconic Palm Springs Public Library designed by famed architect Willam Cody, we have, and continue to be, a truly special neighborhood of Palm Springs, with increasing home values and interest in our neighborhood filled with history, culture, recreation, education and relaxation.

Please let us know as soon as possible if you are interested in opening your home to tours or if you’d like to volunteer, and we will contact you with all the particulars.

Contact David Secor @ 510.332.8053, or e-mail [sunriseparkno@gmail.com](mailto:sunriseparkno@gmail.com) to register your interest or ask questions about participation in the tour.

Best regards,

Board of Directors  
Sunrise Park Neighborhood Organization
