**Let us manage the
panel tender process for you
so you can focus on strategic
matters.**

Legal Panel Management

While legal panel refresh exercises can be carried out in-house, they can be time-consuming and difficult, which is why companies with significant external legal spend prefer to use experienced legal spend management professionals to assist.

COOTE O'GRADY
WE ARE LEGAL SPEND MANAGEMENT

We provide legal spend management/legal operations experts to support your panel processes for law firms and alternative legal service providers (ALSP's).

When you work with us, you benefit from the experience and expertise of an award-winning team of legal spend management / legal operations professionals who have years of experience in this area.

We can offer various levels of support from day rate consultancy advice on setting up a legal panel, to a full managed service where we devise, set up and run the entire panel tender process for you - allowing you to focus on more strategic matters.

Our PRINCE II qualified Project Management professionals will manage the process and delivery of all Legal Panel refresh exercises, which has helped us ensure we have delivered every panel process ahead of schedule with savings that speak for themselves. Our expertise in this area has enabled us to successfully run over 100 panel processes for clients on a global basis with average savings of 27% on external legal spend.

Our know-how in this field has allowed us to deliver long-term savings and other soft savings for clients including free secondments, free advice, free access to technology, free access to meeting rooms, free helplines etc.
