COOTE O'GRADY
WE ARE LEGAL SPEND MANAGEMENT

Our Legal Spend Dashboard technology can be implemented in as little as 4 weeks. Providing a quick and effective way of managing legal budgets.

Our legal spend dashboard will provide you with real-time tracking of your legal spend while eliminating spreadsheets and timely admin. Not only do we work with your law firms to collect data on your behalf we can also upload the data into the dashboard for you, if required - further eliminating unnecessary admin. Regardless of the size of your legal department, we have a solution that meets your requirements and budget.

Our dashboard helps you to analyse and track your spend. Our user-friendly layout enables you to easily drill down into all areas of your legal spend enabling you to present your findings to colleagues in an easy-to-understand format. Our legal spend dashboard helps you keep track of how much you are spending and where savings could be made so you can keep on top of your legal budget throughout the year.

We work with your law firms to collect data on your behalf. Dependent on your service level requirements we can either load the data for you or we can provide training allowing you to manually submit invoices. Regardless of the size of your legal department, we have a solution that meets your requirements and budget. Our Legal Spend Dashboard is a cost-effective solution, paid for monthly to help you better manage your external legal spend while managing your budget.

Our legal spend dashboard will provide you with the following data:

- Real-time tracking of your legal spend
- Access to all invoices electronically / exportable for finance teams
- Real-time analytics on key metrics e.g.:
 - Resource Mix % of partner time v associate time etc.
 - Location of where your work is being performed
 - Disbursement/expense spend analysis
 - Activity analysis
