The New Legal eBilling Outsource your Legal eBilling requirements to Coote O'Grady™ as a fully managed service

Legal eBill Review

Legal eBill Review was developed from years of experience and expertise in managing legal eBilling systems. We have reimagined eBilling - taking it from a piece of technology to a fully managed service. We combine eBilling and Invoice Review to ensure maximum delivery for your investment. We provide the essential services that will make eBilling work to help you gain immediate results and impact.

COOTE O'GRADY
WE ARE LEGAL SPEND MANAGEMENT

We are the main Legal Spend Service provider in EMEA and APAC for a reason - Eliminate common eBilling problems and identify unique benefits and increased savings with Legal eBill Review

Legal eBill Review is the New Legal eBilling, it eliminates traditional problems and provides an overall better user experience while providing real time visibility of external legal spend. Whether you're new to Legal eBilling or have an established system in place, Legal eBill Review will combine eBilling and Invoice Review to help you significantly reduce your external legal spend.

As experts in legal spend management and legal tech we can ensure your e-Billing investment delivers for you. As well as knowing how to work with law firms and manage relationships, our solution overcomes issues such as TAX and VAT. We have worked with some of the largest global organizations, delivering hundreds of millions in real and sustainable savings.

We have reimagined eBilling, taking it from a piece of technology to a managed service. By combining Legal eBilling and Legal Invoice Review we can ensure maximum delivery for your investment. Irrelevant of the size of your legal spend or quantity of invoices Legal eBill Review is a cost-effective solution tailored to your unique requirements - making it an effective solution for legal teams of all sizes.

Legal eBill Review is quicker and simpler to implement than traditional eBilling systems and delivers greater benefit over implementing a piece of technology. As an outsourced eBilling solution we can support your law firms and legal departments to ensure maximum benefit, and with over 90% of our client base coming from EMEA and APAC we are already familiar in dealing with challenges such as language and time zone differences.
