U.S. Department of Transportation
Federal Motor Carrier Safety Administration

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB Control Number. The OMB Control Number for this information collection is 2126-0081. Public reporting for this collection of information is estimated to be approximately 8 minutes per response, including the time for reviewing instructions, gathering the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Motor Carrier Safety Administration, MC-RRA, 1200 New Jersey Avenue SE, Washington, D.C. 20590.

NON-INSULIN-TREATED DIABETES MELLITUS ASSESSMENT FORM

Driver Name: _____ **DOB:** _____

The individual named above is being evaluated to determine whether the individual meets the physical qualification standards of the Federal Motor Carrier Safety Administration to operate a commercial motor vehicle in interstate commerce. During the medical evaluation, it was determined this individual has a diagnosis of non-insulin-treated diabetes mellitus. Although there is not a standard specific to non-insulin-treated diabetes mellitus, this information will be used by the certifying medical examiner to evaluate any diabetes-related complications and/or target organ damage and to determine whether the individual's physical condition is adequate to enable the individual to operate a commercial motor vehicle safely. The final determination as to whether the individual listed in this form is physically qualified to drive a commercial motor vehicle will be made by the certifying medical examiner.

As the certifying medical examiner, I request that you review and complete this form, and return it to me via the individual, or at the mailing address, email address, or fax number specified below.
