

Dear Fellow High School and College Musicians,

April 29, 2023

The White Mountain Symphony Orchestra is sponsoring its annual Concerto Competition for High School and College musicians who would like to perform with the symphony. This season's Concerto concert is scheduled for Saturday, April 6, 2024 at 3 p.m. Cash prizes will be awarded for the winners in each of the two categories: High School and College. The solo selection should consist of one movement of a concerto or two short movements with the total performance time of no longer than a maximum of 10 minutes. Due to concert scheduling this time limit will be followed. While all efforts will be made to perform the works submitted by the contestants via the audition process, financial, timing and availability limitations may dictate the need on the part of the winner(s) to select an alternate work for the actual performance. WMSO reserves the right to make this request if necessary.

All interested musicians please submit the following:

1. A CD recording of your rendition of your selected concerto movement(s); or an MP3 file via email; or through Drop Box or Big File transfer systems.
2. The form at the bottom of this page filled out completely.
3. An application fee of \$25. (This fee goes towards procuring the orchestral music for the performances.)

The deadline for all entries is Friday, December 8, 2023. Please send your entries to:
