

Autobahn Window Film & Glass Warranty

Thank you for choosing Autobahn™ Performance Films. Our commitment to quality is reflected in our limited warranty, which is designed to ensure your satisfaction with our products and installations. Please review the terms and conditions of the warranty below. By purchasing and/or using Autobahn™ products, you acknowledge and agree to the following terms:

"No Hassle" Lifetime Warranty

Autobahn™ Performance Films are sold with a limited lifetime warranty against defects in material and workmanship, including but not limited to discoloration, cracking, blistering, bubbling, peeling, demetallizing, and delamination, provided the film is installed by an authorized Autobahn™ Dealer.

- If a covered defect occurs during the warranty period, the product will be replaced at no cost to the vehicle owner, subject to the conditions below:
- The vehicle owner is responsible for bringing the vehicle to an authorized Autobahn™ Dealer facility, along with the Warranty Card and proof of purchase (which should include the film type and purchase date).
- All Autobahn™ products must comply with state and federal regulations. It is the responsibility of the vehicle owner to ensure the installation complies with all applicable laws and regulations, including those in the state or jurisdiction where the vehicle is registered.
- Unauthorized installations or installations not complying with local legal requirements are not covered by this warranty.

Transferrable Warranty Option

If you are the subsequent owner of a vehicle with Autobahn™ window film and are experiencing a qualifying warranty issue, you may utilize the Transferrable Warranty option. For a \$99 transfer fee, an authorized Autobahn™ Dealer will remove and replace the defective film with the same type and classification as the original product. The following conditions apply:

- The warranty transfer is only valid if the product is in compliance with all legal requirements for the vehicle's state or jurisdiction.
- This transfer option may be exercised only once per vehicle.

No Fault Film Warranty

The original purchaser of Autobahn™ window film is eligible for a one-time 'No Fault' warranty. This warranty provides coverage of up to \$75 toward replacing damaged film on one window. The following conditions apply:

- The \$75 coverage applies to damage that is related to external impact (e.g., accidental damage).
- Any costs beyond \$75 for the repair or replacement of damaged film will be the responsibility of the vehicle owner.

Glass Failure Coverage

Autobahn™ Performance Films provides coverage for non-impact-related glass damage, such as stress fractures, manufacturing defects, or material flaws. This coverage is available up to a maximum of \$1,000 per vehicle. For complete details on the terms, conditions, and eligibility requirements of the Glass Failure Warranty, please refer to the **Autobahn Glass Failure Warranty Terms and Conditions**.

Exclusions and Limitations

This warranty does not cover the following:

- Damage caused by misuse, neglect, or external impact (e.g., rocks, accidents, vandalism).
- Any repairs or replacements carried out by non-authorized Autobahn™ Dealers.
- Damage resulting from improper care, cleaning, or maintenance of the window film.
- Any costs related to removing or replacing non-defective window film, or for any services not specified herein.

Disclaimer

This warranty is the sole and exclusive warranty for Autobahn™ Performance Films. Except as expressly provided in this warranty, no other warranties, express or implied, including any implied warranties of merchantability or fitness for a particular purpose, are provided. Autobahn™ and its authorized Dealers disclaim all other warranties, express or implied, to the fullest extent permitted by law. To the extent allowed by law, Autobahn™'s liability shall be limited to the cost of the replacement or repair of the window film, and shall not exceed the purchase price paid by the vehicle owner for the affected product. Warranty must be registered within 30 days of installation.
