Post 409 needs your ideas for our use of the hall/bar. The only idea I have is Thursday and Monday 'football night' with an open bar, with snacks. Start the evening with a 'football pool'. One large pool (\$1.00 per square) and smaller (\$.25 per square). We need your ideas to bring in \$\$\$\$.

Report on the construction of our building: the stage, storage closet and office at the back of the hall has been removed. There was black mold, which was under the stage and throughout the area. Not only that but the stage area was falling and was detaching from the main building.

We are also in need of a couple of officers, one an Adjutant that takes minutes at the meetings. Second a historian to keep records of events and activities at the hall.

A "Thank You Dinner" Is schedule for September 21st for those who have and are working, volunteering and contributing to the Post. We also have a BBQ coming up for those who volunteered to work the fireworks booth.

We now have a website. www.post409.org (look for San Bruno). If you have problems, let us know by coming to the meeting. Don't forget the last Saturday breakfasts!

Commander Lonnie Sopko, Post 409

Make August ~ The time you become active. We need you!!
