

**A workshop for adults who are interested in opening, managing, and promoting a new or current business endeavor.\* No prior business experience is necessary.**

# **SOPHWORKS RECOVERY GROUP**

**2022  
BUSINESS PROFESSIONAL  
WORKSHOP**

**The workshop will occur on 6 consecutive Saturday mornings, from May 25th until July 2nd, from 10am to 12pm EST. Virtual, by Zoom.**

**The 2022 Sophworks Recovery Group Summer Workshop will focus on business ownership, operations and management. It will include a discussion of various types of businesses, ways that businesses can operate, obstacles that impede progress, and resources that help business owners find success (examples include websites, Facebook pages, pamphlets, etc.). The workshop will include engagement with current owners of businesses, business lawyers, educational professionals, and other business experts.**

- This year's workshop will be offered virtually.
- Workshop attendance is limited.
- Applicants will be screened for eligibility.
- Participation in the workshop will not result in academic credit.
- All presenters and presentation materials will be limited to English.
- Full attendees will receive small financial compensation.
- The workshop will be hosted by Dr. Darryl Arrington, LCPC LPC NCC BC-TMH.

**\*This year's workshop is designed for survivors of trafficking. Attendance will be confidential. Inquiries should be directed to [info@sophworksrecoverygroup.com](mailto:info@sophworksrecoverygroup.com)**
