

Thank you for partnering with us as we love the people of Guinea through word and action!

Our summer mission trip consisted of five members. Four of us were returners from last year and one was a first time visitor. It was a fruitful trip as we spent quality time with students and leaders. In addition to our normal events with students, we also provided some training for teachers. Other activities included repainting some art on our classroom walls and repairing some damaged roofing on the school.

TRIP

CHURCH

During our trip this summer, we learned that One Jeremiah has birthed another church in a nearby village! One of the believers in Mambia felt called to start a church there and the group has grown to over a hundred people. Our team got to meet the congregation and they honored us with fruit and traditional clothing on the Sunday that we were there.

On Christmas day, the believers in Mambia held the first church service in our new building! We still have along way to go with windows, doors, flooring and furnishings but it is such an answer to prayer to have this new building completed enough that we can now meet in it. We are hoping that the guesthouse, attached to the church will also be usable for our next trip there!

BUILDING

PRAYER

Here are some current prayer requests...

- 1) Pray for our director, Pepe, who lost his father the day after Christmas.
- 2) Pray for final paperwork to be approved on the clinic.
- 3) Pray for direction in this nearby village as they also want to see us build a school and a church in the near future.
