

ONE JEREMIAH *ministries* JANUARY '26 UPDATE

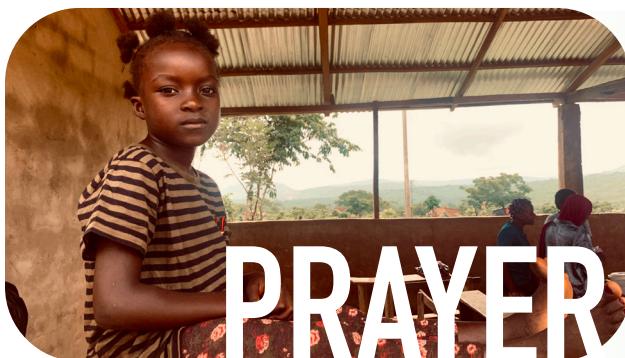

Thank you for partnering with us as we love the people of Guinea through word and action!

We were blessed this year to begin a partnership with our church here in Venice, Florida. The Bridge Church began supporting us monthly as well as working to send a team this coming summer. We got to share about the ministry at their annual Missions Sunday this past October. Please pray that this and other partnerships would continue to grow. If you are interested in attending our next trip, contact us soon!

We are thankful that, due to recent donations, our church and guesthouse project is fully funded! Most of the remaining work is merely cosmetic. Through your faithful giving, we are able to meet physical needs like providing food, water and medication. We are also able to reach people with the gospel and provide continued discipleship for believers. Thanks!

Our second church location is in a nearby village called Tabili (ta-billy). The church there continues to grow and the local leaders there have given us land for a future church building since we are currently meeting in a school. We are excited to see all that God is doing in this new location and continue to pray for direction as we consider future ministry possibilities in that area.

Here are some current prayer requests...

- 1) Pray for a team to come together for this coming summer.
- 2) Pray for wisdom on how we can help our students to be successful after graduating.
- 3) Continue to pray for our clinic to get final approval from the government.
