COMMUNITY CENTER

We have officially started construction on the extension of the fire station, which will temporarily serve as a community center owned by the county. The county plans to enhance the fire department, and we will share the facility with them. Additionally, we are still in search of land to acquire for the establishment of a permanent community center.

COMMUNITY GARDEN

POC: MELVIN JOHNSON

Collards are still growing. The planting for the summer season will begin soon.

CORDESVILLE CARES

POC: FRANK MCKNIGHT

2nd SATURDAY OF EACH MONTH (8am-12pm)

Please contact us if you know of anyone that needs help with any projects (i.e., minor home repairs, handicap ramps, etc) or any community projects that could use some attention.

DONATION SENSATION

Please consider donating to the Cordesville Community Citizens fund. Your support will go directly to community programs such as: community garden, educational initiatives, resources for the underprivileged, Cordesville Cares, and the land/building fund.

Donations can be made at www.cordesville.org

BE A DEAR AND VOLUNTEER

Looking for volunteers for the following committees: community garden, Cordesville Cares, events/fundraisers, and telemedicine.

Come join us on the mission of making our community better together!
