

EQ901 *Elite*

Initial Settings for Your EQ901 Elite

Input Analog, Tone Mode 1, Master Volume -0 dB

Your EQ901 Elite is being delivered with the following settings, which you can vary with the remote control.

- Input: Analog
- Tone Mode: 1 (dual full-range stereo)
- Master Volume: -0 dB (0 dB insertion loss)

Level Setting

Your EQ901 Elite is being delivered with an internal level (gain) setting of -0 dB max, which you will adjust with the supplied remote control. It has been set with the analog inputs selected, so be sure to turn down your music source to protect your system at turn on. The EQ901 Elite supports analog inputs only. Once you have your inputs connected and all components on, you can adjust all the gain levels for optimal volume midposition control performance.
