SPRING Breaks T/W/TH: 4/3-4/5 Young Illustrators & Cartoons Workshop

Enjoy artistic workshop, supplies are included. It aims to further develop foundation and help learners improve drawing skills, with ability level instructions. Learn character designs & settings and with step by step drawing instructions, editing advice and corrections will be provided by our teachers in an artistically supportive environment. It is centered in learning how to draw while sharing ideas. As a young illustrator, work on composition, articulate lines and details, work with pencils/color pencils, broad markers and extra fine markers.

Workshop Co-Instructors:

Ms. Emily Ho, BFA from Parson School of Arts & Design, with Portfolios in children books illustrations & narratives.

Ms. Christine Coutavas, B.A, Queens College with Portfolios in Cartooning, Portraiture, Illustrations and Ceramics.

Instructors enjoy working with children; as working artists, they join our Studio with passion in artmaking and strong art trainings.
