

Attention Brown City Residents

It is officially winter which means our DPW members are going to be out plowing snow and salting all roadways within Brown City! Roadway obstructions are basketball hoops, garbage bags, vehicles, and anything else that impedes DPW members' ability to plow and salt the roadways during this time of year.

Warning to all city residents; the Brown City Police Department will be working closely with the DPW at this time of year by strictly enforcing and issuing any parking / city ordinance violations without warning!

Please be mindful of the following city ordinances that will be strictly enforced at this time of year:

70.06 Stopping, Standing, or Parking Prohibited 11/01 through 04/01 during hours of 2am-6am so as not to impede or interfere with snow removal efforts.

93.20 Placing any obstruction on any part of any street, alley, sidewalk, or public place within Brown City.

Thank you, Brown City Police Department
