

# BROWN CITY MASTER PLAN OPEN HOUSE

Work continues on the Brown City Master Plan. After a community survey and additional public meetings, *Brown City is inviting all interested persons to attend an open house. You will have the opportunity to review and comment on recommendations related to future land use, community character, economic development, circulation, and sustainability.*

The open house will take place between 4 and 6 pm. You may come any time during the 2-hour window and stay for as long as you like. There is no formal presentation. Various displays and exhibits will be set up at the venue. You will have an opportunity to review the master plan recommendations, engage with members of the project team, and *share your thoughts about the future of Brown City!*
