Due to lack of Quorum, no meeting held.

Ron Marion spoke on the "emergency tree removal" in the Park. Kyle stated that he was called about a tree that had been struck by lightning several years ago. Ron stated that the tree was a danger to the public and that he had been monitoring the tree for weeks. There was a little league tournament to be held that weekend and there was concerns about the tree falling and injuring people. Joe Biel was called and came to take down the tree. Ross stated that maybe the board of directors and little league and rotary could help cover the cost of the removal. Kyle to request help covering costs. No decisions made.

Respectfully submitted
