Reminders and News for 2021 Festival:

- 1. We are planning on having the festival in 2021 but the pandemic could cause the Board to cancel again. It will be dependent on factors related to COVID-19. We'll keep everyone posted and vendors will be refunded their booth fee if the Festival has to be canceled.**
- 2. In order to draw a larger crowd for Saturday afternoon, the Phelps Mill Festival Board is adding a "Craft Beer and Wine Tasting" to the Festival. This will run from 3:00 to 6:00 p.m. on Saturday and will take place at the north end of the Festival grounds. This extends the show hours by one hour from previous years. We feel this will bring additional people to the Festival during the time period when things slow down on Saturday afternoon and in turn, more sales for the artists! We are locating it on the north end so set up of these booths will not interfere with the other activities happening at that time.**
- 3. You can now send a flash drive with your images rather than a CD.**
- 4. Please send the self-addressed-stamped envelope with your application. This is needed whether you want your images back or not.**
- 5. We want to thank you for your interest in the Festival, whether you are new or a past artist. We appreciate all of you and this Festival would not happen without you!**
