## SUMMER 2022

We've had loads of fun this summer! And we've made the best out of situations that don't go as planned! We had a luau and movie night. And then a few weeks later we were supposed to go roller skating followed by a lock-in, when we got to the skating rink, it was closed! So we picked up snacks headed back to church and played capture the flag in the dark! The back to school family cook out was fun and had beautiful weather.

For Wednesday Bible study we are working our way through the Bible focusing on different characters. On the Wednesday before school started we visited some of the schools our kids go to and prayed at each of them. Praying all the kids in Jefferson and Berkeley County, and around the world have a great year that is safe and full of learning. And maybe even some learning about God's love from one of our students!
