Christina Duffy, LMFT Pet Psychic Medium

With profound sensitivity and Psychic Mediumship, I channel messages of love, healing, and validation from the other side. Whether your pet is in the physical world or the spiritual realm, my services are designed to bring comfort, clarity, and a deeper understanding of your bond.

Pet Services

Communicating with Pets Who Have Crossed Over

Experience the comfort of reconnecting with your departed pets. Through Psychic Mediumship, I bring you messages of love, peace, and reassurance. Feel their presence and receive the love they continue to send.

Understanding Living Pets

I tune into your pet's emotions, thoughts, and needs. This connection provides insights that can help address their concerns and enhance your bond, offering a deeper understanding of their behavior and well-being.

Supporting Pets Ready to Pass On

Receive gentle and compassionate communication during your pet's transition. I help you understand their feelings and needs as they prepare to cross the rainbow bridge, ensuring their passage is filled with love and peace...

Quick and Insightful Sessions

I offer personalized sessions starting at just \$20. Share a photo of your pet and receive heartfelt messages from them.

Connecting Hearts Beyond the Veil

Are you yearning to reconnect with a cherished pet who has crossed over, or do you wish to understand your living pet's needs more deeply? I offer a unique blend of empathy, Psychic Mediumship, clairvoyance, and spiritual connection to help you communicate with your beloved animal companions.
