86Boxing Media LLC delivers structured program advisory, administrative coordination, and strategic communications support to public-sector, nonprofit, and mission-driven organizations. We bring PMP-certified project discipline, compliance-informed documentation practices, and high-performance coordination experience to every engagement. We operate virtually with on-site availability and support federal, state, and local initiatives nationwide.

Core Competencies

- Strategic planning and initiative development
- Organizational and program assessments
- Performance framework design and implementation
- Project coordination and milestone tracking
- Workflow optimization and SOP development
- Compliance-ready documentation and reporting
- Stakeholder alignment and governance support
- Strategic communications and public-facing messaging

Key Services

Program & Strategic Advisory:

- Develop execution roadmaps and performance structures.
- Align stakeholders and clarify governance roles.

Administrative & Operational Support:

- Track milestones, deliverables, and vendor performance.
- Produce audit-ready documentation and reporting frameworks.

Process Optimization & SOP Development:

- Standardize workflows and version controls.
- Train teams on repeatable execution systems.

Strategic Communications Support:

- Develop messaging strategy and executive briefings.
- Coordinate public-facing initiative communications.

Differentiators

- PMP®-Certified Leadership
- Lean Six Sigma Green Belt Process Discipline
- Federal program and acquisition experience
- Compliance-first documentation framework
- Low overhead with senior-level execution on every engagement
