## Lawyer Monthly Expert Witness Awards 2020

Lawyer Monthly is pleased to announce the publication of the 2020 Expert Witness Awards. The Awards aim to celebrate and highlight the achievements of Expert Witnesses in the legal profession across the globe.

With our Experts having to conduct reports and investigations from home during the coronavirus lockdown, our winners this year have adapted to the new circumstances as best as they can, enabling the Courts to tick along with cases.

As a result of several months of research and preparation, the Lawyer Monthly Expert Witness Awards recognises and commends expert witnesses from various subject fields, who have overcome the legal challenges involved in their role and contributed to the legal sector in a tremendous way; not only have these experts reached the pinnacle of their professional career, but they also use their expertise to help solve all-important lawsuits.

Each vote was compared against a strict set of measurable criteria in order to produce a list of finalists and the eventual winners. We would like to take this opportunity to congratulate our winners and finalists, and thank everyone who voted.
