

## **5 Lies That Will Destroy Your Life and 5 Truths That Will Conquer Them**

Fear has a plan for your life.

Fear says:

- Let me tell you about the problems that will happen in your future
- You must know all the details before taking any action
- You must be perfect and perform for others to hide your faults
- You have failed in the past and will continue to fail so you have to be driven to control
- You cannot trust anyone because they will fail you

But God has another plan.

God says:

- In me is hope for your future
- Trust me, lean not on your own understanding, I will lead you
- In your weakness I am strong
- Accept my love for you in place of fear
- I forgive you--let the past go!

Who are you listening to? Fear or faith? Let God lead you. Trust him with your life and your identity and be real in your relationships—then fear will have nothing to stand on.

*There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love. 1 John 4:18*
