

# Katrina Commemorative

*It has been 14 years since August 29<sup>th</sup>, 2005*

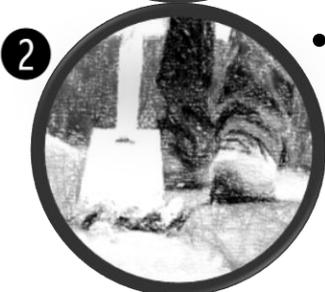

We are in the middle of storm season and even unnamed storms can flood us. Let's walk this one home and clean up the neighborhood. Starting Thursday morning, 9 am, August 29<sup>th</sup>, to Saturday, the 31<sup>st</sup> at 6 pm, join a CCA-wide community clean-up. It is easy as 1-2-3 (and 4). Post your work!

## What steps?

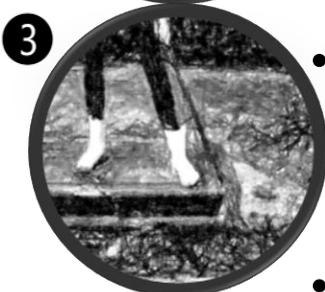

## Do this 1-2-3... and 4!

- Pick up all the scraps, garbage, litter, blowing paper, tree limbs, especially plastic trash, you see in your yard(s). Toss in the trash bin.

- Next, clean the street gutter and sweep any dust, debris, leaves up. Use your shovel to clean up any mud in the gutter. Toss in the trash – it has car oil in it.

- Step over to your nearest drain and pull out any garden waste or garbage in the mouth of the drain. Put in the trash.

- Then, go online and tell the City what you did at their website:

<https://catchbasin.nola.gov/>

Claim and name a drain. If the drain is clogged, let them know (#311) they need to clean it out.

Post your pictures here for CCAI
