Dear neighbor,

The Central Carrollton Neighborhood Association (CCA) respectfully requests your compliance with our city's municipal codes, particularly in regards to *cutting grass and weeds*.

We appreciate your prompt attention as we work to improve the walkability of our public sidewalks and the overall beauty of our neighborhood. Please see the particular sections below:

- New Orleans' municipal code requires homeowners to **keep the sidewalk accessible to pedestrians at all times by clearing grass and weeds**.
 - See *New Orleans Code of Ordinances §66-312*: "It shall be the duty of every owner(s) of real estate within the city... to at all times cut and mow the grass, weeds, or other deleterious or unhealthful growths on their respective property and in the space between the property line and the curblines in front, rear and alongside thereof, so that neither grass nor weeds shall rise above the height of ten inches, and shall cause the removal of any cuttings or mowings.

Please note that this is a courtesy notice — CCA will not register any official complaints for the next (2) weeks. You are encouraged to let us know if you have any concerns about this notice by sending an email to ccanola@70118@gmail.com.

Thank you,
