## ÖNSÖZ

Ülkemizin zengin kültürel mirasını evrensel boyuta taşıma ilkesiyle oluşturduğumuz 3. Uluslararası Viyola Günleri'nin titizlikle hazırladığımız programını sizlere sunmaktan mutluluk duyuyoruz. 2019 yılında Türk viyola sanatçıları, eğitimcileri ve öğrencilerini desteklemek, uluslararası platformda daha görünür kılmak, Türk bestecileri viyola üzerine eserler bestelemeleri hususunda teşvik etmek için adım attığımız bu yolda artık Avrupa'nın saygın organizasyonlarından biri haline gelmiş olmamız gurur verici. Dünyanın en saygın üniversiteleri arasında gösterilen İstanbul Teknik Üniversitesi, bu yıl 50. yılını kutladığımız Türk Musikisi Devlet Konservatuarı ve International Viola Society'nin resmi bir parçası olan Turkish Viola Society'nin iş birliğiyle hazırlanan viyola günlerinin oluşmasında katkısı bulunan başta D'Addario Orchestral olmak üzere tüm destekçilerimize teşekkür ediyoruz. Doğu ve batı arasında adeta bir köprü vazifesi gören güzel şehrimiz İstanbul'a ve ülkemize değer katacak nice etkinliklerde buluşmak üzere...

## PREFACE

We are delighted to present to you the meticulously prepared program of the 3rd International Viola Days, organized with the principle of bringing our country's rich cultural heritage to a universal level. Since 2019, when we first took the initiative to support Turkish viola artists, educators, and students, to increase their international visibility, and to encourage Turkish composers to create musics for the viola, it has been such an honor for us to see this event become one of Europe's most respected organizations.

We would like to extend our sincere gratitude to all our supporters—especially D'Addario Orchestral—for their contributions to the realization of the Viola Days, organized in collaboration with Istanbul Technical University, one of the world's leading universities; Turkish Music State Conservatory, celebrating its 50th anniversary this year; and the Turkish Viola Society, an official member of the International Viola Society.

We look forward to meeting again in many future events that will continue to add value to our beautiful city of Istanbul—serving as a bridge between East and West—and to our country.
