President's Message

Greetings Arden Oaks Neighbors,

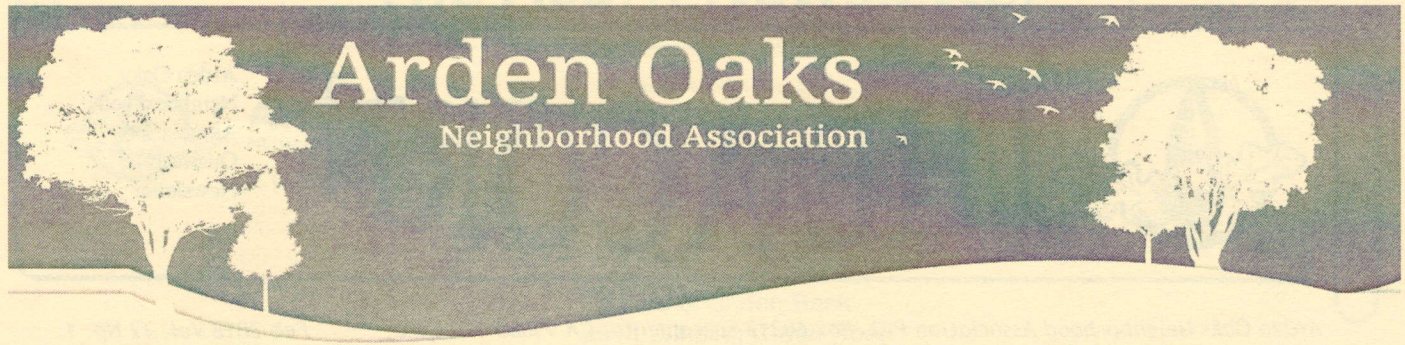

It is that time of year when we have our annual meeting. Our AONA Bylaws require us to have a yearly meeting, so we try to make it worthwhile for folks to show up, and I believe this one is worth your time. We have two short presentations that should be of interest to property owners in our area. I have personally heard the San Juan Schools Building Project overview and found it fascinating. Without children in the school system any longer, I had no idea how active the San Juan program is, and it was very encouraging to hear. And of course, we are all interested to hear what is really going to happen to Country Club Plaza. Our own neighbor Chris Campbell is going to give us an overview of that development.

Another topic of interest to us is the OFF-DUTY Sheriff Patrol which we have used for over 10 years. It has added quality-of-life to those of us who have had to interact in one way or another with the Sacramento Sheriff's department - giving us our own personal contact. And for the neighborhood at large, it has provided an overlay of safety and security that we could never achieve with the standard County services. THANK YOU to those who have faithfully contributed. Over the holidays this year we were able to add two extra patrols during the week, but discontinued them as of January 15 for lack of funds. We currently have seven patrols a week scheduled, with no replacements if the regular person is not able to work. This keeps us in budget for now and seems like an adequate amount of patrol. However, we are expecting a 5% cost increase in July again so each 4-hour patrol will increase from \$292.00 to about \$314.00. . If any of you who have not contributed can contribute even a partial amount of money, that is helpful as well. Every dollar contributed goes directly to patrolling our neighborhood.

Hope to see many of you at the Annual Meeting on March 13 at 7PM at the Arden Park Clubhouse.

Regards,
Linden Beck

AONA President

Arden Oaks Neighborhood Association
