

AONA Membership Contribution

The Arden Oaks Neighborhood Association (AONA) invites you to become a supporting member. Your membership contribution is used to support the fees and costs associated with the Annual Meeting, the 4th of July parade and games, the Fall Barbecue, and Holiday Event; it also pays for the website; email updates on security issues and time-sensitive information and the neighborhood newsletter, *The Acorn*. (Note that the AONA security program is supported under a separate security fee.) The information you provide below is used only for AONA communications and is not released to any outside parties. We encourage you to support these activities through your participation and annual contribution.
