BED RAILS HOOK TEMPLATE
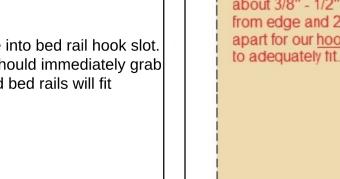

Directions:

1. Change margins to "None" or uncheck "Fit picture to frame" box in printing settings or options.

2. Print hook template with scissors or a sharp thin knife.

3. Unhook one of your bed rails from bed frame.

4. Insert hook template into bed rail hook slot. Hook template and it should immediately grab onto pins. If so, hooked bed rails will fit your bed.

6 ¾"

5 ¼"

Headboard and footboard **pins** in slots must be at about 3/8" - 1/2" in from edge and 2" apart for our <u>hooks</u> to adequately fit.
