Harness the sun's energy today

NEVER BE LEFT IN THE DARK AGAIN!

Reliable Solar Power Backup Systems

ENERGY INDEPENDENCE STARTS TODAY

Power outages are becoming more frequent and more expensive. A solar backup system from Solar Kit Direct keeps your home powered...
even when the grid goes down!

THE POWER TO PROTECT WHAT MATTERS MOST

BATTERY BACKUP

Automatic backup power keeps your home running during outages.

HARNESS THE SUN

Generate clean, renewable energy from the sun and reduce your reliance on the grid.

KEEP THE ESSENTIALS ON

Keep lights, appliances, medical equipment, internet, and security systems running when you need it most.

LOWER ELECTRIC BILLS

Produce your own electricity and save money every month while protecting against rising utility costs.

CLEAN & SUSTAINABLE

Reduce your carbon footprint and invest in a cleaner, greener future for your family.

WHEN THE GRID GOES DOWN... YOUR HOME DOESN'T HAVE TO.

Our custom-designed solar backup systems automatically provide power to keep your home running.
