About Us

TRA Services LLC is a dedicated professional service committed to addressing community needs and solving challenges. Specializing in grant writing, we leverage donations, private lenders, and our expert Grant Writing team to secure funding for various community initiatives. Our vision and mission revolve around providing essential support to teachers, small struggling businesses, families in need of burial assistance, and individuals through our Secret Sista Shopper program.

Core Competencies:

- **Grant Writing:** Our skilled team specializes in writing grants tailored to the needs of the community, securing vital funding for teachers, small businesses, burial assistance, and Secret Sista Shopper initiatives.
- **Community Impact:** We aim to alleviate financial burdens by providing school supplies for teachers, seed money for small struggling businesses, funeral assistance for families in need, and in-store support for the aged and disabled through our Secret Sista Shopper program.

Past Performance:

(Self-Contactor) Provided 3 years of Support Services for the State of Indiana for new moms, and unemployed clients in the communities looking for employment referral, baby supplies, and transportation assistance with funds that was award by the State and from private funders.

(Self- Contractor) Provided 4 years of Support Services for the State of Indiana for the Aged and Disabled Waiver community with Medical Supplies, Pest Control Assistance, Home Modifications and household needs with funds that was awarded by the State and along with my Grant Writing Team.

Differentiators:

TRA Services distinguishes itself through its multifaceted approach to community empowerment and support. As a certified MBE and WBE grant writing service, we go beyond conventional grant writing by offering comprehensive assistance to teachers with classroom supplies, aiding struggling businesses with financial support, and providing burial assistance through compassionate partnerships with funeral homes as well as bidding on state and government contracts. Our commitment extends to educating the community on contracts and business development, facilitating MBE and WBE certification through the state of Indiana, and managing the "Sista Shopper" program to assist the elderly and single mothers. With a genuine passion for making a positive impact, TRA Services stands out as a catalyst for transformative change and community well-being.
