Goods or Services Offered (250 Characters Max)				
Use Back Side if More Space is Needed				

Qualifications

Companies and sales reps that sell to college bookstores in the State of North Carolina are eligible for membership in CSANC-Associates. There may be more than one member from one company. There may be multiple companies for one member.

Benefits

Membership entitles you and one company to be listed in the online directory giving bookstores and vendors direct information to buyers and sellers of college goods and services. Multiple line reps wanting companies to be listed on the web site will require a membership for each listing. Duplicate this form for each membership. Each member will be given a password to gain access to this information. Non-members will not have access.

Trade Show

The Table Top Expo is one of the highlights of the CSANC annual meeting. Members in good standing for fiscal year 2024 are invited to exhibit at the Table Top Expo upon renewing membership with payment of 2026 dues in the amount of **\$50.00**. Members not in good standing financially who wish to exhibit in the 2026 Table Top Expo must submit **\$100.00** to cover dues for 2025 and 2026.

Applicants are voted in by the membership and are reviewed and renewed annually. If accepted, I agree to abide by all rules and regulations of the CSANC-Associates.
